GERMANY'S INTENTION TO OFFER FULL SATISFACTION

Formally Communicated to State Department by Count Bernstorff.

Washington, Aug. 27.—Germany's intention to offer full satisfaction to the United States for the sinking of the liner Arabic with the loss of two American lives was communicated formally to the state department today by Count Bernstorff, the German ambassador, on instructions from the Berlin foreign office.

The ambassador read to Secretary Lansing a memorandum outlining the position of his government. It promised that if it was found that the Arabic was attacked without warning the imperious German government would promptly disavow the act, but would give the United States "full satisfaction." This it is well known, would have to include reparation for the Americans lost and assurances that such tragedies would not be repeated.
